

The logo features the words "OUR KIDS COUNT" in a large, black, sans-serif font. The letters "K", "I", "D", and "S" are each contained within a colored square (blue, yellow, red, and green respectively). Below each of these four squares is a simple line drawing of a child. The child under the "I" is in a wheelchair, and the child under the "S" is wearing a graduation cap. Below the main title, the text "ESSA & Students with Disabilities" is written in a bold, black, sans-serif font.

ESSA & Students with Disabilities

The Advocacy Institute has produced a series of short video presentations on several important topics relating to the Every Student Succeeds Act (ESSA) and students with disabilities. View the series at www.advocacyinstitute.org/ESSA

- ✚ **History of the inclusion of students with disabilities in assessments.** Presented by Dr. Martha Thurlow, Executive Director, National Center on Educational Outcomes. (36 mins.)
- ✚ **ESSA provisions regarding students with the most significant cognitive disabilities.** Presented by Ricki Sabia, Senior Education Policy Advisor, National Down Syndrome Congress. (14 mins.)
- ✚ **ESSA provisions regarding homeless children and youth: Implications for students with disabilities.** Presented by Patricia Julianelle, Director of State Projects and Legal Affairs, National Association for the Education of Homeless Children and Youth. (26 mins.)
- ✚ **ESSA provisions regarding Juvenile Justice-Involved Youth.** Presented by Kate Burdick, Juvenile Law Center. (24 mins.)
- ✚ **ESSA: Advancing School Stability for Children in Foster Care.** Presented by Kathleen McNaught, Project Director, Legal Center for Foster Care and Education. (40 mins.)
- ✚ **ESSA: Advancing Equity for Children with Disabilities in Charter Schools.** Presented by Lauren Morando Rhim, Ph.D., Executive Director, National Center for Special Education in Charter Schools. (44 mins.)
