Parent Center Network Data Collection 2020-21

Data Collection Webinar
September 23, 2021

Today's Focus

2021 Annual Data Collection Process

- What's New?
- What Remains the Same?
- Part 1 – Quantitative Data
- Part 2 – Program Measures Survey

The CPIR

Center for Parent Information & Resources

Supporting Parent Centers Serving Children with Disabilities and Their Families.

Data Collection

The annual data collection process provides the Parent Center network the opportunity to highlight our work in reaching and serving families, youth, and professionals, including the positive impact and outcomes from our work.

Parent Centers In Action

What Remains the Same?

- There are 2 parts to the process:
  - Part 1 = Quantitative Data
    - the numbers
  - Part 2 = Program Measures
    - the survey
- Data submitted electronically
- CPIR provides randomized list of contacts to survey
- Data is aggregated

Center for Parent Information & Resources

Part 1 – Quantitative Data *(The Numbers)*

- Data collection period: October 1, 2020 through September 30, 2021
- Numbers of contacts, meetings attended, resources disseminated, website visits, etc.
- Includes:
  - Unduplicated parent count
  - Disability data
  - Demographic data
- Due date: **Friday, November 19, 2021**

Center for Parent Information & Resources

Part 1 – Quantitative Data *(The Numbers)*

Reporting Period: _____

Parent Center Data Collection Worksheet

Please see the ***KEY TO PARENT CENTER DATA COLLECTION FORM*** for definitions and details about what information to include for each data point. Hovering over the footnote number will also display definitions in a pop-up window.

I. CONTACTS

A. TRAININGS	*Training Numbers*
1. Number of **parents of children under transition age**[1] attending **in-person trainings**[2]	
2. Number of **parents of children under transition age**[3] attending **virtual trainings**[4]
