

Activity Sheet I

Match 'Em Up!

Background: The Part C regulations define what the term *early intervention services* means in general; provides a list of individual services that eligible infants and toddlers with disabilities may need; and describes those individual services.

Instructions: The items on the left (below) are quotes from the Part C regulations. Can you match the quotes to the early intervention services they describe (listed on the right)? *Work with a partner.* Use **Handout 3** as your guide.

When Part C's regulations say...	The regs are referring to <i>this</i> early intervention service!
1. ____ The provision of nursing care to prevent health problems, restore or improve functioning, and promote optimal health and development	A. Audiology B. Speech-language pathology services
2. ____ Determination of the child's individual amplification, including selecting, fitting, and dispensing appropriate listening and vibrotactile devices, and evaluating the effectiveness of those devices	C. Family training, counseling, and home visits D. Health services
3. ____ Provision of services for the habilitation, rehabilitation, or prevention of communication or language disorders and delays in development of communication skills	E. Medical services F. Nursing services
4. ____ Services provided, as appropriate, by social workers, psychologists, and other qualified personnel to assist the family of an infant or toddler with a disability in understanding the special needs of the child and enhancing the child's development	G. Service coordination services
5. ____ Assisting parents of infants and toddlers with disabilities in obtaining access to needed early intervention services and other services identified in the IFSP, including making referrals to providers for needed services and scheduling appointments for infants and toddlers with disabilities and their families	
6. ____ Services provided by a licensed physician for diagnostic or evaluation purposes to determine a child's developmental status and need for early intervention services	
7. ____ Such services as clean intermittent catheterization, tracheostomy care, tube feeding, the changing of dressings or colostomy collection bags
