

# How to Adapt This Infographic for Your Parent Center

A quick guide for you from the Center for Parent Information and Resources (CPIR)  
<https://www.parentcenterhub.org>

June 2023

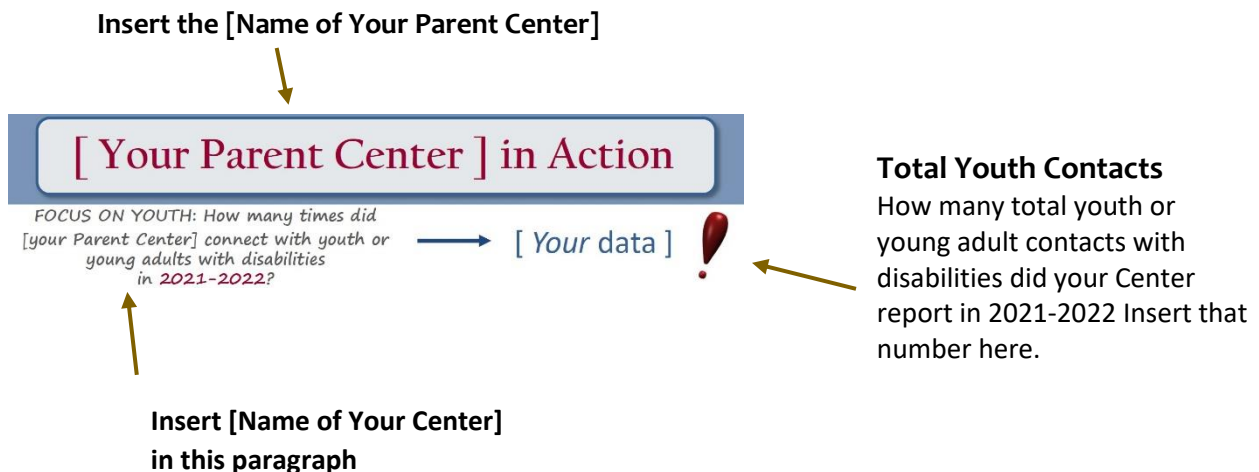

**This quick guide accompanies...** | The infographic of *all* Parent Center results for the year 2021-2022. That infographic is available in two forms: as a PDF for easy sharing AND as a PowerPoint file that you can adapt to present **YOUR** Parent Center's information and results.

**What's in this guide?** | This guide shows you all the places in the adaptable infographic where you can insert your own data, so the infographic ends up being about only **YOUR** Center's achievements.

**Where do I get the data for my Center?** | Use the data you submitted to CPIR as part of the 2021-2022 data collection.

## Where to Make Changes
