

### Activity Sheet 3

# TAWG\*

*Instructions:* This is an opening activity for the module *Basics of Early Intervention*. Part of that module is going to look at seven key acronyms used in early intervention.

Here are some acronyms less commonly used—these come from license tags on cars. Can you match the tag with the car owner's profession? *Work with a partner.*

\*Take a Wild Guess!

#### License Plate

#### Car Owner's Profession

- 
- |                  |                               |
