

Activity Sheet 9

IFSP Components in Review

Instructions: Every infant or toddler receiving early intervention services under Part C of IDEA must have an individualized family service plan (IFSP). As you know, the IFSP has many components. This activity is a quick review of main sections of the IFSP.

In the left column below, you'll see a list of sections of the IFSP. In the right column, find example statements from various children's IFSPs. Which examples probably go in which IFSP sections? Match them up! Then identify which 2 main sections are missing from this list!

Main Sections of the IFSP	Examples of IFSP Statements
___ 1. Information about the child's status	A. Marina will walk and her parents will not have to carry her when they go to church, shopping, and to visit friends.
___ 2. Family information	B. Physical therapy, special instruction, speech pathology
___ 3. Measurable results or outcomes	C. Freddie's parents are concerned that he is going to get "kicked out" of his child care center, if they don't get help. His behaviors at home and child care are the priority concern. His mother would like suggestions on how to handle his behaviors.
___ 4. Early intervention services to be provided	D. <i>Communication:</i> Kim's <u>challenges</u> include her inability to babble and make consonant and other sounds as a result of her NG tube. These challenges impact her ability to communicate her wants, thoughts, and needs with her parents, sister, grandparents, and playgroup teacher.
___ 5. Length, duration, frequency, intensity, and method of delivering the early intervention services	E. Cardiology service for child Dr. I.M. Heart
___ 6. Appropriate setting (and, if necessary, natural environments justification)	F. The services will be provided in the home, which is considered by the IFSP Team to be Maria's natural environment at this time.
___ 7. Other services (non-Part C)	G. Physical therapy, twice weekly, 30 minutes, individual
___ 8. Name of family's service coordinator	H. Barbara Belt—Phone, email, address given below.
