TK#1 – HOW TO USE Guide

TOOL KIT #1
BOARD STRUCTURE

How to Use Tool Kit #1
This is the first of six Tool Kits in a series developed for OSEP Parent Training and Information Centers and Community Parent Resource Centers to ensure sound nonprofit governance practices. This Tool Kit addresses Board Structure.

Tool Kit #1 includes materials Parent Centers can use for Board professional development on three topics related to Board Structure: Board Recruitment, Board Orientation, and the Board Book. Each topic includes:

- a short video that you can stream anywhere you have an internet connection
- a Dialogue Guide (a series of slides with thought-provoking questions meant to prompt discussion/reflection on a topic)
- a FAQ (some of the most common questions that Boards have about the topic),
- a Resource List (great web-based articles for locating more information on the topic area)

You can use these materials selectively to meet the priorities of your Board, the amount of time available and the specific needs of your own Parent Center. Here is one suggested plan for using the materials with your Board:

- Plan 40 - 45 minutes on your Board agenda;
- Show the video first (most are 15-20 minutes);
- Use the Dialogue Guide next (10-15 minutes). You can either use the Dialogue Guide as a PowerPoint for all to see and/or print hard copies. The Dialogue Guide is intended to guide a short Board discussion on the ideas from the video to your own center;
- Next, distribute the FAQ Sheet and Resource List. (5 minutes). Both resources can be a “take-away” Board of key points and important supplementary materials. If time permits, they can be reviewed individually with the Board professional development. Or, select 1-2 Resources off the list that really speak to you and provide these;
- Finally, use the Evaluation form (5 minutes).

If you would like more details, the chart that follows below briefly describes each product in the three Tool Kit #1-topic areas. Also included is a time estimate for each product and suggestions for optional materials to use during the Board professional development.

First - Review the “How to Use” Guide

FAQ - RECRUITMENT

1. What are special considerations for Parent Center Board recruitment?

The IDEA requires that a PTI or CPRC must be a parent-led organization that has a Board of directors, the majority of which must consist of parents of children with disabilities from birth to age 26 with disabilities. The Board must also include individuals with disabilities and individuals working in the fields of special education, related services, and/or early intervention. The parent and professional members of the Board must be broadly representative of the population to be served, including low-income parents and parents of English learners.

2. How do Parent Center requirements affect the basic responsibilities of Board members?

In addition to the general responsibilities all nonprofit Boards share, Parent Center Boards are responsible to review progress toward goals quarterly, and assure that the organization:

- performs all the work outlined in the federal application,
- makes progress toward goals,
- maintains effective Board composition,
- reflects work done in the annual OSEP continuation report, which is signed by the Board Chair, and
- does drawdowns of federal funds that are appropriate and reflect activities.
TK#1 - Board Recruitment – RESOURCE LIST

**BOARD STRUCTURE**

Resource List

This Resource List for Tool Kit #1 includes great web-based and PDF handouts on each of the areas (Board Recruitment, Board Orientation, and the Board Book) that comprise this Tool Kit. The Resource List includes resources that you can use selectively to meet the professional development needs of your board members and the specific needs of your own Parent Centers. Here are several ways to use the Resource List:

- Identify resources to use during the Dialogue Guide discussion.
- Provide hard copies of 1 or 2 resources from the Resource List that really speak to you for your Parent Center.
- Provide a copy of this whole Resource List as a “take home” for later study by board members.

All PDF handouts on the Resource List will be made available in a central repository for Boards and Directors to access. Permission to reprint has been obtained for all copyrighted documents.
